## Orientation Session for programme coordinators of eVidyaBharathi project

Centre for Online Education (COE) organised an Orientation Session on 4th January 2023 for programme coordinators of eVidyaBharathi project at COE, IGNOU. eVidyaBharathi is a prestigious project of IGNOU in collaboration with Ministry External Affairs (MEA), Govt. of India. Under this project IGNOU is providing Tele Education services in 19 countries from Africa with total enrollment of 2618 learners and 43 online programmes during July 2022 admission cycle.

The session was chaired by Honourable Pro Vice-Chancellor Prof. Uma Kanjilal in presence of Directors of ID, STRIDE and Directors of concerned schools of studies.

Director (ID) emphasised on the importance of the project which required equal contribution from the respective programme coordinators to make this project success.

Director (COE) presented about the eVidyaBharathi project and briefed the demographic details of learners and highlighted the roles of Programme Coordinators..

Prof. Uma Kanjilal, PVC informed that the first batch (July 2022 admission cycle) has begun, learners are actively accessing the Learning Management Portal at <https://lms-evbab.ignouonline.ac.in>. She emphasised on the effective and efficient delivery of online programmes under this project.

Finally the LMS portal was demonstrated (<https://e-vbab.ignouonline.ac.in>) to all the coordinators.
