Launch of WEAS Portals for 13 More Programmes

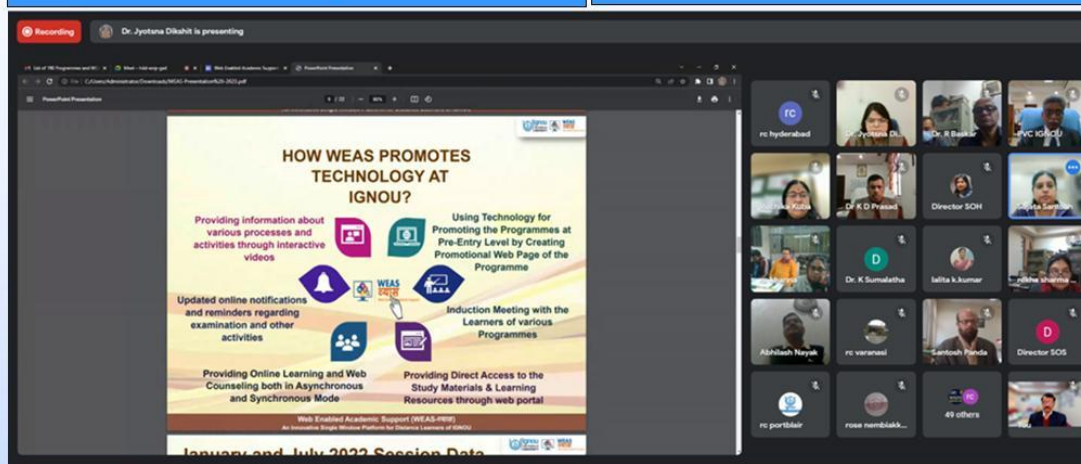

Prof. Srikant Mohapatra , Pro-Vice Chancellor, IGNOU formally launched the newly developed 13 WEAS Programme Portals along with the WEAS specific websites for 13 Schools in a virtual meeting organized by the NCIDE on January 13, 2023 at 11.00 am.

WEAS portals for 32 ODL Programmes and 4 disciplines have already been developed and implemented for the students. With this launch, total 45 ODL programmes and 4 disciplines are being supported through WEAS portals. The National Centre for Innovation in Distance Education (NCIDE) has initiated an innovative scheme of Web Enabled Academic Support (WEAS) to provide technology based single window academic support to the learners of different ODL Programmes with the help of the concerned Schools and Programme Coordinators.

In his address, Pro-Vice Chancellor Prof. Srikanth Mohapatra, congratulated all the Directors and Programme Coordinators of the Schools and Team NCIDE for launch of the WEAS Programme Portals. He said that WEAS portal is more flexible and adaptable than the Moodle platform and has all the features for offering programmes online and providing support to the students. He said that it is very useful for all the distance learners. The university has nominated Nodal Regional Centres for providing student support services for the low enrollment programmes. For low enrollment programmes it could be very useful tool for providing student support. He also emphasized that the Schools who have yet not implemented WEAS for their low-enrollment programme should come forward to develop WEAS portals for providing academic support to the learners enrolled in the programmes. In his address he also directed NCIDE to implement WEAS for large enrollment programmes also.
